CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief. On or about the date of December 14, 2024 in the county of Hidalgo in the State and District of New Mexico, the defendant violated 8 U.S.C. §1326(a)(1)/(b)(2)(Re-Entry After Deport Agg Felon), an offense described as follows:

an alien, who had been previously arrested and deported from the United States, subsequent to being convicted of an aggravated felony, to wit: Manufacturing, Distributing or disbursing of any controlled substance, and who had not received the consent of the appropriate authority of the United States to reapply for admission into the United States, was found in the United States, being willfully in the United States unlawfully.

This criminal complaint is based on these facts:

On December 14, 2024, Border Patrol Agents of the Lordsburg, New Mexico Border Patrol Station encountered the defendant in Hidalgo County, New Mexico. The defendant was questioned as to his citizenship to which he stated that he was a citizen of Mexico illegally present in the United States. The defendant did not cross through a lawful Port of Entry; therefore, he was not admitted or paroled by an Immigration Officer. Immigration record checks revealed that the defendant was last removed on or about June 12, 2023, from the United States to Mexico through Nogales, AZ.
